

## **JEAN-FRANÇOIS NORMAND**

**From July 13 to 19**

Each student will have the chance to work on their own repertoire with piano during master classes. Throughout the week, there will be workshops on specific, essential clarinet topics: breathing, posture, sound emission, tone and high register, legato, reeds, digital technique, staccato, intonation, etc.

**Typical timetable for clarinet classes (subject to change, depending on the number of students and availability of premises) :**

- 9:30AM to 12PM - **Master classes**
- 1:30PM to 4PM - **Private lessons or workshops**
